

FEATURE STORY

OBESITY & WEIGHT LOSS

CHRONIC WEIGHT MANAGEMENT

This thirty-minute episode will feature the work of Dr. Fatima Stanford, an Associate Professor of Medicine and Pediatrics who practices and teaches at Massachusetts General Hospital (MGH)/ Harvard Medical School (HMS) as one of the first fellowship-trained obesity medicine physicians worldwide. She is among the most highly cited obesity medicine physician-scientists. She was named to the 2025 Dietary Guidelines Advisory Committee by the US Department of Health and Human Services (HHS) and Agriculture (USDA). Joining Dr. Stanford in this episode are leading experts who will address the status of obesity care from a broad perspective.
